7. _____ 8. _____ 9. _____

This is a confidential process - names will not be divulged

A limited amount of scholarship aid may be available to provide partial tuition assistance for CCC/C. The purpose for our scholarship program is to make our program available to as many people as possible and to attract outstanding singers that would gain from participating in the choir. Completing and submitting this form does not obligate the applicant or the choir in any way. Assistance is granted only as funds are available for this purpose. The decision of the Board of Trustees is final. Fundraising requirements are not part of the scholarship and must be met by all families that participate in the choir.

Please deliver Scholarship applications in a sealed envelope, in person or mail to: ***Community Christian Choir***
c/o Lee Weitz, Choir Manager
PO Box 9486
Trenton, NJ 08650

Please complete both sides of application - Return to Choir Manger

_____

_____

Assistance Requested

I request: $ _____in aid for this individual

It is our desire that I or my child would be able to participate in the choir. However, our financial resources are limited and are not sufficient to participate. Having taken all things into consideration we believe we would need to receive the grant amount given above to be able to participate in the choir program.

Parent/Guardian commitment

We understand the scholarship is based on our full participation in the appropriate choir or level. If we decide to drop from the choir we will refund the scholarship award to the choir. We agree that as our financial situation stabilizes we will consider giving back into this fund so that others can also participate when they are in need. We also commit to attending all rehearsals and choir events unless an emergency prevents our attendance. Fundraising is not part of the scholarship and we will be meet the minimum requirements.

_____ ____/____/____

Scholarship Program Details & Requirements

Applications must be completed for each individual that you are applying on behalf of each season

Incomplete applications will be returned for completion before consideration

Fundraising requirements are not part of the scholarship. Scholarship recipients must complete fundraising to a minimum standard as set forth for the entire choir.

The CCC/C Scholarship Program is funded by donations from our supporters. It is the duty of the Board of Trustees to administer the program and award scholarships based on the funds available and to allow as many singers to participate that would otherwise not be able based on the financial status of the family.

Prayerful consideration should be given by each family applying for a scholarship. The program is not intended to reduce out of pocket expenses but is intended to make it possible for families to participate that are experiencing financial difficulty.

The CCC/C Scholarship Program is a confidential process.

Names are not discussed when applications are reviewed for consideration.

Scholarship awards are granted by the season. Applicants must re-apply each season that a scholarship is needed.

Falsifying information on the application will be immediate grounds for denial for the current application as well as any future applications on behalf of the singer or family listed.

Applications must be filed at the beginning of the season.

Applications will not be considered subsequent to any payments being made on behalf of the scholarship applicants.

Award of scholarships cannot be applied to any other family or singer.

Any scholarship that is not accepted by an applicant is removed from consideration and reverts back to fund.

The CCC Board of Trustees administers the Scholarship Program and has the final decision on all applications.

Any singer or family can recommend a scholarship be awarded to any other singer or family. However, the family in need of the scholarship must complete the application.

In fairness to all singers, families and our supporters, any singer or family that is awarded a scholarship will complete the season unless extreme emergency prevents them from doing so.

In the event a recipient elects to drop out of the choir program they agree to repay any funds awarded on their behalf. Consideration for any future scholarships or participation in the choir will only be granted for any subsequent season if any scholarships awarded were repaid for any award recipient or family that does not complete the season.
