‘Till We Meet Again!

July 13 and 14, 2019

CONTACTING THE CHURCH OFFICE

CHILD CENTER

Our Child Center has been closed effective June 17, 2019 due to lack of sustainability due to low enrollment. Our building and play yards do not meet the specifications required to hold full time day care here. Today's families are in need of the full time care that we cannot provide on this site. It was not an easy decision and all who have been involved in the mission of our Child Center are deeply saddened by its loss. Your Scholarship donations will go directly to the benefit of children. Our school board will make this decision at our August meeting. There are no other assets to be dispersed. Our Sunday School has always shared the furnishings and toys with the Child Center. The school computer was shared with my work as the Christian Education director and I will continue to use this computer and office. We are currently developing plans to keep our Children's Reading Room actively in use. We ask for your prayers for our families and staff who have suffered a loss with the closing of our preschool. If you have any questions please direct them to any school board member.

In Christ's peace and love,

Lynn Terry
