Youth Night!  
was held on  
January 18...

...featuring faith,  
fellowship and fun.

Many thanks to everyone who helped with repairs at LoC in January. This was a huge undertaking involving scaffolding to install new lighting above the altar, researching water damage at the windows above the altar and painting afterward in the altar area.

**A thousand thanks** to our volunteers –  
all of this work was done by LoC  
members who volunteered  
their time and talents!
